Overgaard, AZ 85933

Come make your home in the beautiful Windsor Valley Ranch! Very nice, currently off-grid parcel, with electric at the lot line. Mostly level with gentle sloping toward the road. Mixed vegetation with juniper, high desert scrub, and meadow grasses. More than enough locations for your home and livestock. (no pigs - CC&Rs) Semi remote living with easy car access and nice privately maintained roads. About 25 miles to Show Low.
